

4. Cover: The following are covered under the policy (Rate 3.80% on value of the Livestock)

1. fire
 2. lightning
 3. storm, wind, water, hail or snow
 4. accidental, violent, external and visible means (including attack by dogs and predators), and euthanasia which is administered on the authority of a qualified veterinary surgeon as a result of injuries caused by the contingencies stated above.
 5. impact damage caused by motor vehicles and falling trees, resulting in the death of the livestock, provided that all reasonable precautions are being done to safeguard the livestock. Cover will be limited to only two (2) losses per annum and is limited to the amount stated in the schedule with a maximum aggregate limit of R10,000 (ten thousand) in any one period of insurance.
 6. death of the livestock whilst in transit, provided that the company is not liable for trampling or suffocation resulting in death other than as a result of an insured contingency.
 7. redwater fever, heartwater fever, gall sickness, blue tongue, mad cow disease, foot and mouth disease and freezing of livestock
- Provided** that the liability of the company shall not exceed 10% of the sum insured in respect of any one claim with a maximum aggregate limit of R250,000 (two hundred and fifty thousand) in any one period of insurance.
